

The Would-be Hero

Most people hope for a quiet life. They spend their days a-worrying: about a leaky roof, a sick child, their crops. But you aren't like most people—you're on a different path. A path to adventure! There's greatness in you. Let's hope you live long enough for everyone else to see it.

Background (Choose 1)

☐ IMPETUOUS YOUTH

Stonetop has always been home, but you chafe at the demands of mundane life and have always longed for more. Excitement! Danger!

When you *make a move and come up short*, you can give it your all and turn a 6- into a 7-9, a 7-9 into a 10+, and (if it matters), a 10-11 into a 12+. But if you do, pick 1 (the GM will fill in the details):

- ⊗ You get hurt (2d4 damage and an actual injury)
- ⊗ You cause collateral damage, endanger others, or otherwise escalate the situation
- ⊗ Something on your person is lost or breaks

☐ DRIVEN

You once led a simple life, but something happened. Something changed you, burdened you with terrible purpose. What was it? Choose 1:

- ☐ A loved one was killed or abducted
- ☐ Someone gave their life to save you
- ☐ Your idol sacrificed themselves to save many
- ☐ You stumbled upon a dark mystery
- ☐ You must make amends for a terrible mistake

You always have the option to Burn Brightly; you can spend 2 XP after you roll to add +1, even if you don't have enough XP to level.

☐ DESTINED ○○○

Fate has laid her hand upon you. Choose 3-4 of the items below to describe your destiny:

- ☐ anointed ☐ marked at birth ☐ your coming foretold
- ☐ destroy ☐ discover ☐ free ☐ protect ☐ restore
- ☐ unify ☐ blood ☐ civilization ☐ darkness
- ☐ earth & stone ☐ fire ☐ ice ☐ light ☐ life ☐ storms
- ☐ war ☐ water ☐ the Fae ☐ the gods ☐ the Makers
- ☐ the Stone ☐ the Things Below

At the *start of a session*, roll +Omens: **on a 7+**, lose all Omens and the GM will describe a vision or portent that points toward your fate and/or clarifies your current situation; also, **on a 10+**, ask the GM a follow-up question and get a clear, helpful answer; **on a 6-**, don't mark XP, hold +1 Omen, and tell us of your recent nightmares or a troubling vision, and how your fears play into them.

Until your destiny is fulfilled, treat a 6- on Death's Door as a 7-9, and a 7-9 as a 10+.

To refuse to back down, give up, give in.

Moves You start with Anger is a Gift, Potential for Greatness, and 2 other moves of your choice.

☒ **ANGER IS A GIFT**

When you *burn with righteous anger* (see Fear & Anger on back of playbook), hold 2 Resolve. You can spend your Resolve 1-for-1 to:

- ⊗ Set aside fear and doubt to do what must be done
- ⊗ Act suddenly, catching them off-guard
- ⊗ Inspire allies or bystanders to follow your lead
- ⊗ Strike hard (+1d4 damage, *forceful*)
- ⊗ Keep your footing, position, and/or your course despite what befalls you

☐ **SPEAK TRUTH TO POWER**

(Requires Anger is a Gift)

When you *demand that someone does what is clearly good and right*, you have advantage to Persuade. If they refuse, gain +1 Resolve.

☐ **BETTER PART OF VALOR**

When you *are outnumbered or facing a foe bigger than you*, you have advantage to hide from, escape from, or sneak past them.

☐ **I GET KNOCKED DOWN**

When you *take damage despite your best efforts to avoid it*, you can choose to halve the damage but pick 1 of the following:

- ⊗ You lose something (footing, grip, etc.)
- ⊗ Something on your person breaks
- ⊗ You're out of it for a moment

Whatever you choose, the GM will describe the details.

☐ **BUT I GET UP AGAIN**

(Requires I Get Knocked Down)

When you *use I Get Knocked Down*, you have advantage on your next roll against whatever dealt the damage and your next blow against them does +1d4 damage.

☐ ☐ ☐ **IMPROVED STAT**

Each time you take this move, increase one of your stats by 1 (to a max of +2).

☐ **IN OVER YOUR HEAD**

When *another PC rescues you from danger*, mark XP.

☐ **IRON WILL**

When you *are subject to mind control or magic that affects your feelings*, you can take 1d4 damage (ignoring armor) to disregard its influence.

☐ **INQUIRING MINDS**

When you *seek out and receive honest advice*, gain advantage on your next roll to follow that advice.

☐ **NEVER GONNA KEEP ME DOWN**

When you *have 5 or fewer current HP*, you impose disadvantage on any damage you take.

Once per session, when you are at Death's Door, don't roll. You get a 10+.

☒ **POTENTIAL FOR GREATNESS**

(Requires the Would-be Hero)

Once per level, *when you roll a stat and get a 10+*, mark one of the following (note the level during which you marked it). You don't have to mark them in order.

- ☐ Increase the stat you rolled by 1, to a max of +2 (at level ____)
- ☐ Increase the stat you rolled by 1, to a max of +2 (at level ____)
- ☐ Increase the stat you rolled by 1, to a max of +2 (at level ____)
- ☐ Increase the stat you rolled by 1, to a max of +2 (at level ____)
- ☐ Increase your max HP by 4 (at level ____)
- ☐ Increase your damage die to a d8 (at level ____)

Special possessions (Pick 2)

- ☐ **A heap of expectations:** of little use
 - ☐ **A good dog,** follower (☐ *retriever* or ☐ *herder, keen-nosed, clever*); HP 6; Damage d6 (*hand, grabby*); Instinct to play; Cost: affection.
 - ☐ **Husbandry tools:** brushes, muzzles, collars, feed, ◇ whips, ◇ bridles, etc. Gain advantage to Persuade domestic beasts (livestock, dogs, etc.).
 - ☐ **Smithy** (or access to it): iron goods, ingots, thick gloves, ◇ tongs, ◇ bellows, an anvil, etc.
 - ☐ **Stoneworker's tools:** chisels, drills, ◇ prybars, ◇ spikes, ◇ block & tackles, wheelbarrow, etc.

 - ☐ _____ (discuss with GM)
-

☐ RESOURCEFUL

When you *Defy Danger* and roll a 6-, ask the GM a question from Seek Insight after they describe what happens. Gain advantage on your next roll to act on the answer.

☐ SOMETHING TO REMEMBER ME BY

When you *spend Readiness (from Defend) to strike back at an attacker*, you deal +1d4 damage and scar, mark, or diminish them in some way (the GM will say how, or ask you to).

☐ TOUGH LOVE

When you *honestly think another PC is in the wrong and call them on it*, they have disadvantage on any rolls against you until you two work it out.

☐ UNDERESTIMATED

As long as you *avoid overt hostility*, no enemy will consider you a threat.

When you *first make your move against an enemy who underestimates you*, you have advantage.

☐ UP WITH PEOPLE

○○|○

When you *converse with someone* (PC or NPC) you can hold 2 Rapport with them. If you do, they hold 1 Rapport with you. During the conversation, either of you can spend 1 Rapport to ask the other player one of the following and get an honest answer.

- What weighs you down or holds you back?
- What drives you forward?
- What lesson would you have me learn?
- What do you think of me, truly?

☐☐☐☐ VERSATILE

(Requires level 2+, the Would-be Hero)

Choose a move from any other playbook, as long as you meet its requirements. You can pick from a different playbook each time. You can't take Improved Stat or Superior Stat.

☐ A FORCE TO BE RECKONED WITH*

(Requires level 6+; replaces Underestimated)

Any intelligent creature who looks you in the eye or hears the steel in your voice instinctively knows that you are a force to be reckoned with, and treats you appropriately.

When you *Defy Danger against something trying to harm or constrain you*, on a 12+ you turn the tables on them (the GM will say how, or ask you to).

☐ BIG DAMN HERO*

(Requires level 6+; replaces In Over Your Head)

When you *first leap into danger to protect someone*, don't roll to Defend. Instead, treat it as though you rolled a 10+.

When you *Defend*, you can spend 1 Readiness to lock eyes with an attacker; they have disadvantage on damage rolls against you and your ward for the rest of the fight.

☐ SUPERIOR STAT

(Requires all 6 marks in Potential for Greatness)

Increase one of your stats by +1 (to a max of +3).

☐ UNDAUNTED*

(Requires level 6+; replaces Better Part of Valor)

When you *are outnumbered or facing a foe bigger than you*, you get +1 armor and deal +1d6 damage.

☐ VOICE OF EXPERIENCE*

(Requires level 6+; replaces Inquiring Minds)

When *another PC comes to you for advice and you tell them what you think is best*, they have advantage on their first roll to follow your advice.

When you *Seek Insight*, you can always ask, "What is about to happen?" for free, even on a 6-.

The first time you use any move marked with an asterisk (), cross off "Would-be" on the front page.

Fear & anger

What do you fear most? (choose 1, maybe 2)

- ☐ Fire, burning, the smell of charred flesh
- ☐ That they won't take you seriously
- ☐ That you really aren't cut out for this
- ☐ The death of your family or loved ones
- ☐ Being alone and helpless
- ☐ Violence, bloodshed, and pain
- ☐ Monsters
- ☐ What you're capable of
- ☐ What you must do

What makes you burn with righteous anger?
(choose 2, maybe 3)

- ☐ Bullying, slavery, and oppression
- ☐ Wanton cruelty and unnecessary suffering
- ☐ Injustice and inequality
- ☐ Cowardice, treachery, and selfishness
- ☐ The despoiling of beauty and innocence
- ☐ Threats to your loved ones
- ☐ Violence to children, animals, the innocent
- ☐ Perversions of nature

When did your fear or anger last cause you trouble?

What did you do?

How did it turn out?

Introductions

Wait here for everyone else. When everyone's ready, take turns introducing your characters. When *someone reveals something and you want to know more*, ask them about it. When *someone asks you a question*, answer it truthfully.

1 On your first turn, **introduce yourself** by name, pronouns, background, origin, and appearance.

2 On your second turn, **describe your special possessions** and how you contribute to the village (beyond working the fields).

3 On your third turn, **tell us of your fear & anger**, and of the last time they caused you trouble.

4 On your next turn, **answer one of the following**, naming one or more NPCs who live in Stonetop.

- ☐ Whose heart do you hope to win?
- ☐ Who is counting on you?
- ☐ Who quietly understands the path you are on?
- ☐ Who do you intend to prove wrong?

5 Go around again. Answer another question from 4, or pass. When everyone has passed, go on.

6 On your next turn, **ask your fellow PCs one of these**. When others ask you, answer as you like.

- ☐ Which one of you is my closest, truest friend?
- ☐ Which one of you believes in me, despite it all?
- ☐ Which one of you has promised to teach me?
- ☐ Which one of you have I hurt, through what I have done or what I've failed to do?

7 Go around again. Ask another question from 6, or pass. When everyone has passed, go on.

8 Add your home to the steading playbook. When everyone is done, let spring break forth!
